

DON'T MISS OUR VALENTINE'S DAY AD IN THIS PAPER!

MONDAY NIGHT MUSIC AT MUDD VALLEY! MORE INFO. BELOW!

Sending 150 million cards and spending \$2 billion on flowers—and we're murky as to who started it all? Estimates on valentine cards sent, flowers bought, and candy purchased run numbers into millions and billions each year, but when it comes to who is responsible for this celebration, we have no solid answer. History records three Saint Valentines, all of them martyred.

Here's my favorite of the legends: Valentine was a priest in third-century Rome. Emperor Claudius II decided that single men made better soldiers than those with wives, so he outlawed marriage for young, military-age men. Valentine defied Claudius and performed secret marriages. He was caught, and he died for the cause—the cause of love.
