**GOOD FRIDAY - APRIL 19 - OPEN 8AM-4PM**

Three years, and the relationship was falling apart. Peter had been attracted by his leader's vision and passion, but now his leader was charged with a crime and the death penalty appeared certain. The disciple choked. Truthful answers could mean death for himself. So Peter lied and denied any association with Jesus, betraying the unconditional love of the past three years. But Peter (and Satan) were end rounded. Jesus rose from the dead! The day of reckoning and forgiveness came when Jesus, at an early morning breakfast, asked Peter three times, "Do you love me?" Saving our skin is temporal; loving is eternal. The forgiveness of Jesus transforms us from the temporal to the eternal.
