You've been a part of it for over a dozen years, and it's part of your identity. Your high school class is graduating. Class of '22. Congratulations on this remarkable accomplishment! Celebration is in order. We (through our food) have been to thousands of these celebrations and hope to attend thousands more. But we want to be more than just food; we want to make your life better. We're giving three \$1,000 scholarships to students going to college, a mission trip, or other training. No long essays or perfect scores required, just order a cake or cupcakes from us for your party. Scholarships picked at random. We're not begging for an invitation; we're comfortable being party crashers.
