FLAVOR OF THE MONTH JUNE

Strawberry

Warning signs. What does it take to get my attention and produce corrective action? At 10:00 p.m. on a Saturday night, we realized we'd forgotten chicken for Sunday lunch-- the type of forgetting that happens when you have keys to the building. A torrential downpour had just ended, and the county road was wet. Rounding a turn, I drove into water. Nothing serious, just a couple inches. Do I backtrack or keep going? Just as I assured myself that I could handle this, the water got deeper and in front of me, in what I presumed was the middle of the road, I saw a mallard duck-- swimming. That got my attention; I took the high road.
