

The phone line was buzzing with folks calling to say "He's back!" It was morning on the Walnut Creek flats, and Dennis, our store manager, was receiving calls from people who recognized the man walking along State Route 39 as our bicycle thief. Since the man was on foot, the Holmes County Sheriff's Department had plenty of time to arrive and arrest him. A week before, our video camera had captured this man entering our employees' bike shed at Walnut Creek Cheese, then riding off on one of the bikes. We posted the video online, and it received over 30,000 views. Community, looking out for each other, is alive and well, even though our methods of interaction change.
