

Soccer balls, uniforms and nets—the basics every soccer program needs. Thomas Holmes from Smithville heard the call of duty when he saw the advertisement for our donut-eating contest. His duty: Be the contestant who eats the most donuts in three minutes to win the \$1,000 prize for his daughter's Youth Soccer program. How do you practice for a donut-eating competition? You don't. You just show up with a willingness to be a public spectacle. The job is harder than it looks—our donuts are so light, their fluffiness impedes speed, but Thomas conquered! We enjoyed the entertainment as our champion chomped down 8-³/₄ donuts in three minutes. The things we do for love.
