COLLECTING SHOEBOXES OCTOBER 2 - NOVEMBER 11. FOLDABLE BOXES AVAILABLE AT BOTH STORE LOCATIONS!

Fresh taste, from trees hundreds of years old! Extra virgin olive oil comes from the first pressing of olives. No chemicals are used, and the result is a wonderful, fresh, clean taste. At our Walnut Creek store, we now feature Ariston extra virgin olive oils from Greece. I had to learn what a "fusti" is, and you'll see them in our store—the stainless steel containers with spigots holding the olive oils, allowing you to refill your empty olive oil bottles. Yes, we're hoping these Ariston products will become addictive. But don't worry, it's a good addiction—olive oil is extremely high in oleic acid, known to reduce blood pressure. And refilling bottles will save you money.
