**SEE OUR 2 WEEK THANKSGIVING AD IN THIS EDITION!**

You know it's on your to-do list but you're not quite honest with yourself, and you didn't get it done yesterday. And chances are you're not getting it done today. It's ordering gift boxes and baskets for your friends, family, and business associates. You have a nagging worry that if you order too early the food products won't be fresh. Well, don't worry; fresh is our wheelhouse. In fact, in today's logistical environment, supply issues are of more concern than the problem of stale product. It may sound like I'm just encouraging you to trade one fear for another. Not at all. I'm just helping you get rid of that nagging feeling. Order today!
