

How to use Walnut Creek Cheese Online Curbside Ordering

- Go to walnutcreekcheese.com
- Click on Curbside Pickup
- Click on **“Order Online by clicking HERE”**
- Go through our website and add items to your cart
- Once all your items are added click on “Cart”
- When you are in your cart, you can choose which items can have a substitution and you can add instructions for each item if you want. Ex. For bananas, you can add a note if you want them to be all green, ripe or have brown spots.
- Weighted items will be an estimate. Your total may change if you have a weighted item in your cart and your card will not be charged until the whole order has been pulled.
- If you can't find an item, click on **“Can't Find Something?”** and enter the item and include as much detail as possible and we will do our best to add that item to your order if we have it!
- Once you are ready, click on “Order Now”
- Fill in your information
- Choose Pickup at Store (Walnut Creek store only)
- Choose the date to be picked up and the time slot.
- Click on continue
- Enter your credit card information
- Click Pay with Card
- Review & Confirm your cart
